CAPRICORN HOTELS :: LONDON

Fine individual hotels in the very heart of London

Welcome to The Byron

Located in the convenient and cosmopolitan area of Hyde Park and Bayswater, The Byron is the ideal setting for your visit to London, be it for business or pleasure. With good access to all public transport facilities, it is a perfect base from which to explore London. Up to 123 different locations in London are put within easy reach by the two underground stations near the hotel.

Originally two Victorian houses, The Byron is designed to provide modern standards of comfort in traditional surroundings. It is truly a country house in the heart of one of the world's most vibrant cities.

The country house atmosphere is evident from the moment you enter the recently refurbished hotel. You are greeted by our experienced and friendly staff who will ensure your stay with us will be a complete and memorable experience.

All of our 45 rooms are appointed to a high standard with matching fabrics to give a very luxurious feel. Every room is individually named after an English Country House to carry on the hotel theme of "A country house in the Capital".
